## Friday, March Fourth

Is the date on which "Richard Carvel"  
will be presented in our city. With a  
fine appreciation of the role he plays  
and the qualities of imparting drama-  
tic force to his portrayal that is  
most convincing without going beyond  
reasonable bounds, Andrew Robson  
has proved himself to be an actor who  
is certain to achieve great fame. Still  
a young man he is already in his fifth  
season as a stellar attraction. Mr.  
Robson is again playing the title role  
of "Richard Carvel" this season.

## Weak Hearts

Are due to indigestion. Ninety-nine  
of every one hundred people who have  
heart trouble can remember when it  
was simple indigestion. It is a scien-  
tific fact that all cases of heart dis-  
ease, not organic, are not only trace-  
able to, but are the direct result of  
indigestion. All food taken into the  
stomach which fails of perfect diges-  
tion ferments and swells the stomach,  
puffing it up against the heart. This  
interferes with the action of the heart,  
and in the course of time that delicate  
but vital organ becomes diseased.

## Kodol Digests What You Eat

Mrs. Loring Nichols of Penn Yan, N. Y.,  
writes: After eating, my food would distress  
me by making my heart palpitate and I would  
become very weak. Finally I got a bottle of  
Kodol and it gave me immediate relief. After  
using a few bottles I am cured.

Kodol cures indigestion, dyspepsia  
and all stomach disorders, and gives  
the heart a full, free and untrame-  
led action.

Bottles only. \$1.00 Size holding 2 1/2 times  
the trial size, which sells for 50c

## MAYOR ROBERT McLANE AND HIS "BETTER BALTIMORE" PLANS.

Mayor Robert McLane of Baltimore is winning golden opinions by the energy with  
which he has addressed himself to the task of organizing for the rebuilding of a "Better  
Baltimore" on the site of the enormous area recently devastated by fire. Building lots  
will be shortened in order that the streets may be widened, and the restrictions upon  
method of construction and materials used will render impossible a recurrence of such an  
experience as that through which Baltimore has recently passed.

## CURED WHEN OTHERS FAILED

1056 Winnemac Avenue,  
CHICAGO, ILL., Oct. 25, 1902.

Wine of Cardui can always be relied  
upon to cure when everything else fails.  
It is a certain cure for female diseases in their  
worst forms. I suffered for years with ulcer-  
ation. Intense pains in the womb and ovaries  
and dreadful headaches afflicted me for my  
work. Finally I grew so ill that I had to keep  
to my bed. The pains were so intense at times  
as to cause spasms and a disagreeable discharge  
drained my life forces. In my extremity after all else  
had failed, I tried Wine of Cardui. After using it for  
two weeks I began to improve so rapidly that I felt en-  
couraged to keep up the treatment, which I did for eight-  
teen weeks, but at the end of that time I was entirely cured. What a  
relief was mine and how new and beautiful life looked to me when my  
health was restored. Only those who have passed through such a siege  
of sickness as I have will understand how much I value Wine of Cardui.  
It is indeed  
a boon to  
sick women.

Frances Mitchell  
Secretary, North Chicago Women's Club.

Every weak woman needs Wine of Cardui. Wine of Cardui cures dis-  
ordered and painful menstruation, periodical headaches, falling of the  
womb and leucorrhoea. It cures extreme cases of these troubles. It  
strengthens girls approaching womanhood, helps bring children to barren  
homes, makes pregnancy and childbirth easier, prevents miscarriages and is  
the best medicine ever made for use during the change of life. Why permit  
the good women in your home to suffer another day? Every druggist  
has \$1.00 bottles of Wine of Cardui.
